

# Candlelight Club

Ben Krames, a professional drummer from San Francisco, has created a unique and lively sound with his Candlelight Club Band.

Consisting of seasoned musicians from around the globe, this energetic ensemble blends Afro-Cuban Rhythms, Reggae, Jazz, and American Pop Music.

An evening with Candlelight Club starts off with smooth instrumental Jazz, perfect for cocktails, fine dining, and conversation. Later Ben's international sound gets young and old grooving on the dance floor to Latin and Caribbean beats. Whether it's with Cha-Cha-Cha, Mambo, Soca, Reggae, or good old funk, this band always gets the party jumping.

Add a dash of spice and a warm tropical breeze to your wedding, celebration or company event.
