

Vibes Unlimited

Vibes Unlimited was formed by Ben Krames and Waddell Bell in 2005. This dynamic drum and bass duo from northern California has been performing and recording music together for more than 10 years. Both Waddell and Ben are formally trained musicians (Berklee College of Music and SF state) and are competent composers, arrangers, and producers. Although versed in Jazz, Afro-Cuban, RnB, and Hip-Hop their sound is authentic to the genre of Reggae music in all of its forms (Dancehall, Roots, Lovers Rock, Rock Steady, Ska etc.....) and thus they have collectively performed around the world (Europe, South America, Hawaii, Puerto Rico, Israel, Korea....)
